

Hydrogen Declaration

Declaration-no.: 20H2_HFA001_01
Revision: A

Subject: Filter HFA series with Pietro Fiorentini codes PFHFA

We Pietro Fiorentini S.p.A. with registered office in Arcugnano (Vi) (Italy) - via E. Fermi, 8/10, declare under our sole responsibility that **the devices in subject are suitable for operations when the Hydrogen content in Natural Gas is $\leq 20\%$**

This declaration is based on the current state of the art and within the framework of sound engineering practice as well as on tests performed by Pietro Fiorentini S.p.A. on used materials, according to international standards available today.

No liability can derive from that.

This declaration only applies to products that were produced after the issue date of this manufacturer's declaration.

The use of the product is subject to country specific regulations.

Arcugnano, 12/12/2022
